New York City.

Dear Leuschner:

Your letter of April 23rd just received. About the Cubans, the publicity for the 8th in Norfolk and the 9th in Richmond has already been started and cards ordered and distributed. I wrote Pompey to that effect. It is too late to change the date now.

About East Orange, the reason I had not asked for any Saturdays in there is because we are in and around Newark so much for the first half, we have three Sundays in May, then we are in Paterson a couple of times with the Yankees, and I really felt the local fans might get sick of us, of course, a lot depends on whether the team is winning or not.

I have gone over the schedule carefully and find that we could go into East Orange June 7th and 28th, if you want us and those two dates are O. K., but if only one I prefer the 28th. I suppose we could probably do all right in there these couple of times.

I see we are scheduled with the Cubans May 17th, can you tell me where Pompey is planning to play that game? I imagine he had some spot in Connecticut in mind, but I am not sure, maybe your Staten Island place would be a good one. Please let me know if you have any information about this date.

Very truly yours,
